

SS INDUCTION WOK PAN ø36

€135.00

SKU:

7020.0140

Introducing our durable stainless steel induction wok pan!

This high-quality Combisteel induction wok pan is ideal for preparing wok dishes in both professional kitchens and home use. Thanks to the sturdy stainless steel material, this pan is not only robust but also resistant to heavy use. The design with a round bottom makes it the perfect choice for use on induction cooking tops, such as our induction wok plate 7020.0135. The dimensions are 625x360x210mm (LxWxH) – diameter ø36cm – weight 2 kg.

Key features:

- **High-quality stainless steel construction:** Ensures long-lasting durability and excellent heat conduction.
- **Round bottom:** Ensures even heat distribution.
- **Generous capacity:** Ideal for preparing larger portions of wok dishes.
- **Easy to clean:** The stainless steel surface is simple to clean after use.

Whether you're a professional chef or a home cook, this stainless steel induction wok pan is designed to meet your cooking needs efficiently and durably. Order now and elevate your wok cooking experience with this sturdy, reliable wok pan!
